

# Vibration Sensor

Vibration Sensor	
Product version	R0
Battery	Lithium Thionyl Chloride, Typical 3-year battery life
Sensing technology	Piezo based vibration sensing
Tamper sensing	Front cover removal
RF technology	868MHz ISM license free band, LoRa
Range to Gateway	300m depending on terrain
Size	72mm*51mm*25mm, mounting face 72mm*25mm
Weight	53g
Mounting	Self-adhesive mount under countertops or laminate flooring
Reporting Interval	Hourly
Circuitry design	Kovco Labs (Pty) Ltd
Manufacture	South Africa
Assembly	South Africa
Battery Replacement	Yes
Warranty	12 months by manufacturer - from date of purchase
